

# Outbreak Declared

## Information for Residents, Families, and Visitors

Type of Outbreak: \_\_\_\_\_

Date Outbreak Declared: \_\_\_\_\_

Location(s): \_\_\_\_\_

### Before visiting:

- ✓ Use alcohol-based hand rub when you arrive and after you leave.
- ✓ Sign in and out at reception.
- ✓ Limit your visit to one resident only, if possible.
- ✓ Please check with the nurse before visiting. You may be asked to wear a gown, mask and/or gloves.
- ✓ Ask the nurse about any resident outings and/or appointments. Resident activities may be restricted or cancelled.
- ✓ Stay up to date on your vaccinations to protect yourself, residents and staff.
- ✓ Do not visit if you feel unwell or have any of the following:
  - fever
  - new or worsening cough
  - shortness of breath
  - sore throat/hoarse voice
  - vomiting
  - diarrhea
  - new or worsening rash
